ABOUT

Alessandra discovered her love for acting after appearing in a TV commercial. What began as a spur-of-the-moment opportunity felt completely natural and effortless, revealing a passion that quickly took hold. With a sweet, outgoing personality, and a contagious smile, she easily connects with others and lights up a room.

She has performed in several school productions, including The Crucible, The Tempest, A Midsummer Night's Dream, and The Comedy of Errors, among others. An honor student and elite soccer player, Alessandra balances elite athletics with school productions and straight A's, demonstrating exceptional discipline, focus and professionalism. While she loves and excels in soccer, her true passion lies in acting.
